

No. ATP30 18/2021

02 August, 2021

Subject Notify the business operation that is different from the nature of the Company's business.

Attention President
 The Stock Exchange of Thailand

ATP 30 Public Company Limited ("the Company") has agreed to a service contract for Operating Management related to the EV car back-office service management with EVme plus Company Limited, which had affected for one year period, from 1 August, 2021.

However, the service is different from the nature of the Company's business, shuttle bus service provider for the industrial plants. The Company has considered it a business able to use resources, skills and expertise of the Company to provide such services.

Please be informed accordingly.

Yours Sincerely,

(Mr. Piya Techakul)
Managing Director
